- Happy escapism!
- Very whimsical, but entertaining and it was great to have an up-beat film for a change!
- At last a romance! Delightful
- If she likes Woody Allan, I would have a chance.
- If you have to watch a 'Romantic Comedy', then why not watch this one!
- Very girly, very good just before Xmas to cheer me up before I max out my Credit Card!!!
- More like this film

- Original, nutty and a bit mad.
- Great to have a contrast after "The Hunt"
- Very funny, if somewhat predictable.
- Trifling, but I wasn't bored. And I've always wanted a scooter!
- Despite many flaws, a delightful piece of pre-Christmas froth.
- What you'd expect in a Pharmacy – a long perfume ad.  
Can't wait for "Manhattan-Paris"!!
- A nice bit of fun.

- Teenager's fantasy? ... for grown-ups  
OK, if all you ever go to see is mediocre films. By these standards, quite sweet and charming but ... boring? ...
- As someone said near to me "Light & Fluffy". By the end I was charmed – enjoyable.
- Efficiently written and delivered by machine to a slightly original idea for a romcom. I didn't think much of it – but will see more Woody Allen.
