## Member feedback: I'm So Excited

27 people voted. The breakdown and comments are listed below.

### 'Excellent': 3 votes

- It was an experience – at 79yrs – will not use the new knowledge!!
- Loved it! Fairy tale, surreal; and the satire took it to the next level.
- Amazing.

### 'Very Good': 10 votes

- Happily much better than I thought it would be. Hysterically slapstick & silly.
- As the Airbus of Global Free Enterprise Capitalism hits the tarmac, anything could happen, probably will, so let's laugh!
- Makes a change to see a film that is laugh out loud funny.
- Absolutely barney, but great fun. My face was aching from laughing at the dance routine.
- Not too dissimilar from working for a bucket shop airline in the 80's – apart from all the sex – there was no time for that!!!
- Made me laugh a lot.
- Good fun
- A fun pastiche, unexpected from Almodóvar.
- Enjoyable romp, but not one of his best.
- Very funny

### 'Good': 5 votes

- I enjoyed it more on a second showing, and having a better understanding of the targets for the satire. Certainly not up there with Almodóvar's best works.
- A bit patchy and not up to the standard of Almodóvar's best comedies, but enjoyable nevertheless.
- As a screwball comedy it was OK but not one of his best.
- Frothy fun – what else from a mile high piece of soap?
- Great soundtrack. Film certainly had its moments.

### 'Satisfactory': 2 votes

- Ridiculous. Liked the cabaret. Will Ryanair be able to compete?
- As light and frothy as its ending.

**'Poor': 6 votes**

- Probably the worst film that CFC has ever shown. It's depressing that such a talented director made such an awful film. Like a 1970/80's TV show. No redeeming features.
- Dear, oh dear. It was like a nightmare TV 'comedy'; insulting gay stereotypes + heavy reliance on us giggling at sex. And drugs.  
Best bit was the cinematography & depiction of foam like clouds.
- A mess.
- Felt he is getting lazy!
- Rubbish – why show a film like this!
- I didn't leave a slip for this film but I would have marked it as 'poor'. I thought it was silly, faintly unpleasant and completely lacking in humour. Rubbish in other words.
