Audience feedback: Men & Chicken

20 slips were returned. The breakdown and comments are listed below.

'Excellent': 4 votes

- A rather weird fairy tale.
- Life affirming
- Lunatic, but should one stop the "freedom of speech"? Should the outpouring of unusual minds be curbed?
- Bonkers, but hugely entertaining.

'Very Good': 9 votes

- Bizarre, absurdist comedy. Too much slapstick violence marred what was, otherwise, a very enjoyable fantasy.
- Funny, but thought-provoking.
- We humans are really interesting, and strange! Apart from the 'Disneyesque' ending, most enjoyable fable!
- A cross between 'Cold Comfort Farm'/'Frasier' and 'Oh Lucky Man'. Very strange – not a comedy but funny – pace not sustained, but never boring.
- Bizarre, was 1969 the year that 'Oh Lucky Man' came out?
- Different! Very different!
- Angela Carter – eat your heart out!

'Good': 5 votes

- Happy ever after?
- Strange
- Very peculiar! If the Coen brothers did 'Eraserhead'?
- Well, Hans Christian Anderson it was not! Not sure what it says about Danish imagination at all. Did they enjoy making it? It all needs a lot of reflection.

'Satisfactory': 2 votes

- Amusing and terrible. Spot the Danish Actor was fun. This would be a "Barking" rating – if it existed.

'Poor': 0 votes

Based on the above, the film had an overall score of 3.75.
