- Great to have the opportunity to see this on the large screen. Scorsese at his best and definitely a film that stands repeated viewing.
- Great story, beautifully shot with some amazing acting and laughs.
- Brilliant
- I'm not a big fan of gansta movies but came with my husband & son. I liked the humour and, though the characters were violent and despicable, I grew to like them. Great film, thank you.
- The film to get high on! Great music too. Impossible to top that.
- A masterpiece! Scorsese's best film.
- Certainly stands the test of time. Not seen it for well over 15 years and just as entertaining.
- Having seen this a few times, but not for a while – thrilling on the big screen. Surprisingly intimate from a restless camera.
- A wonderful, classic film – Scorsese's best film!?

- They were only actors but it was so well acted. The USA was not intended to become like this.

- Still amazingly good after 48 years.
- I can see it was a very good film but far too violent & unpleasant for this woman...

Based on the above, the film had an overall score of 4.67.
