- Perhaps Netflix will make them an offer they can't refuse.
- Heart-warming & full of character
- One of the best pieces of entertainment ever.
Full of Superheroes.
Oklahoma will never be the same again!
- Spot on. Rich and classic piece of British life, cinema, heritage + good will.

'Very Good': 4 votes

- Took a while to get into it but really came to relate to the characters. The poignancy of their daily lives (caring for ailing/disabled relatives and the mobility issues of Colin around his garden and the clubhouse) versus the absurdity of the films they were making was well balanced.
- Adorable, if a bit close to the bone!
- Touching, poignant and very funny – pure delight!
- Amusing, poignant – a film we would not ever see elsewhere.
