- Fascinating insight into life amongst the underclasses living in the Native American reservations. The performances from the non-professional actors were extremely good throughout.
- Subtitles would have helped, but the 'Moving pictures' told an absorbing story.
- Well, I thought life could never get worse for any of them, but then it did. [?] addictive, but I can't explain why!
- Blimey, I guess that's what life is like on the reservations that the Native Americans were herded onto. Could have done with subtitles but followed it all. Wonderful ending when Bill stole everything.

- Enjoyable and engrossing – great performances!
- A very interesting picture of life for Native Americans and their fighting spirit.
