- What a film. Scary how the world is changing.
- Emptying of handbags really got thru!

- The silent screams of humanity versus faceless bureaucracy.
- Very thought-provoking content.
- Definitely makes one feel uneasy.
- Very well observed – we watch people watching people & thinking – Plan 75. Nah!! Keep on living & look after old people!!
- Totally chilling – was it hopeful – not sure. Too many shades of “Zone Of Interest”. Beautiful performances. A whole new concept of call centres.
- I've never understood why people should not manage their own demise.
